I take full responsibility for the care and safekeeping of this ERG. I understand that if it is damaged, broken or lost while in my care, I am responsible for repairing or replacing it.

All ERGs are due back two weeks before the start of the fall rowing season. A date and time for check-in, here at the boathouse, will be communicated around this time.

Returning the ERG with a fresh set of D-Size batteries will be greatly appreciated. 😊

If you have trouble with the ERG and need help, send an email to hhsrowingclub@gmail.com and ask for the ERG Man!
